## Welcome Address

**Dear Colleagues,**

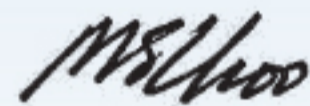

*On behalf of the Organizing Committee, I take great pleasure and honor in announcing the Pan-Pacific Continence Society (PPCS) Meeting which will take place on October 19, 2007 in Seoul, Korea*

*Since we changed the name of the society into the Pan-Pacific Continence Society (PPCS) in 2006, all of the pan-pacific countries have joined and try to share the knowledge and experience.*

*In order to achieve a successful meeting, we designed Three Scientific Sessions, The State-of-the Art Lecture and Special Lecture which will be presented by excellent speakers invited from Japan, Taiwan and USA. Especially we focus on the recent medical circumstances which will be seen in Scientific Session 2 -Symposium and then we will expect that where we should advance.*

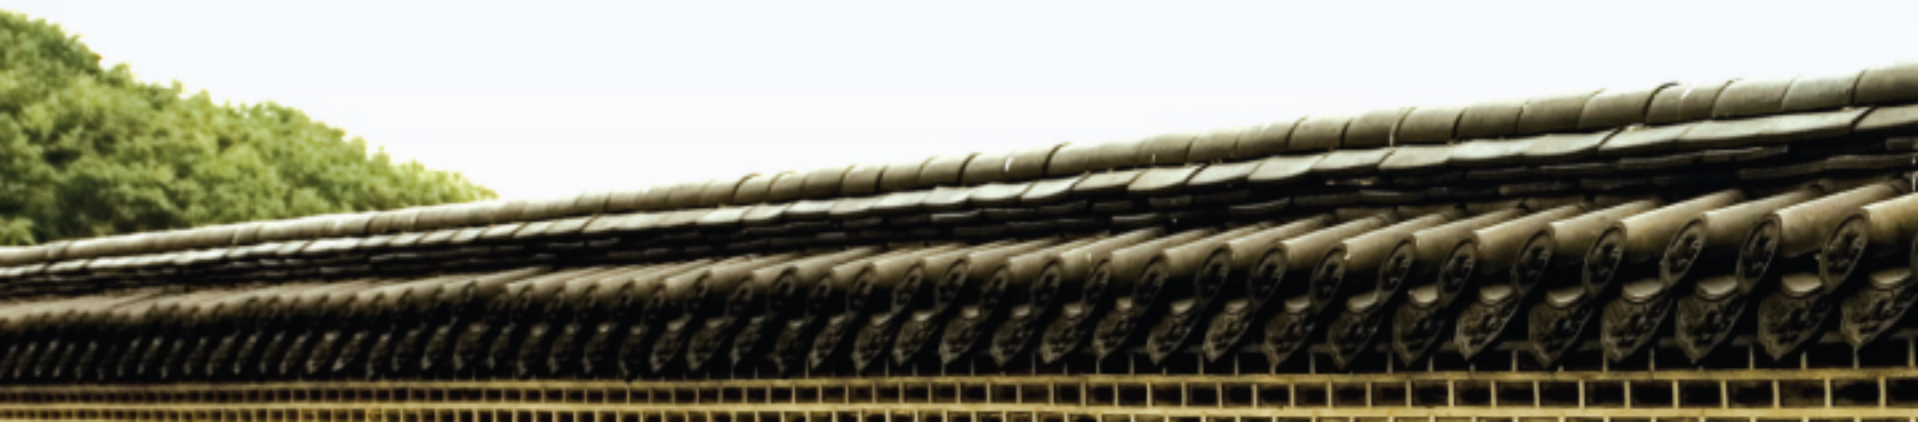

*This meeting will offer a magnificent opportunity to discuss new frontiers to understand our field and to become acquainted with the latest approaches. It will also boost communications and collaborations among the doctors from the PPCS member countries so that old friendships will be enhanced and new one will be established complementing our professional exchanges.*

*I am looking forward to greeting you in Seoul the coming October.*

**Myung-Soo Choo, M.D., Ph.D.**

*Chair of Organizing Committee of PPCS Meeting  
Professor of Urology, Ulsan University*
